

PLAN 5: All the way through the Bible in order in less than a year

200 days (roughly 20 minutes per day)

In this plan we will take you through the Bible in less than a year in the order that it was canonized in (the order that a paper Bible would take). Though this order is not actually accurate in terms of when each book was written, the deviations/differences are so small that they are meaningless, and the canonizers knew this. All three types of readers have this plan as an option, and the medium plan tends to be the middlemost pace in order to give the inexperienced and advanced readers the slower or faster pace that they would likely read at.
